PETITIONING THE COURT

The offender has been unemployed since June 16, 2008.

On September 26, 2008, during an officer visit the offender was instructed to obtain and maintain employment within thirty days of our meeting. Despite this officer's assistance the offender did not secure employment.

Since the inception of supervised release the offender has had sporadic employment and has not made a legitimate effort to gain full-time employment. Hopefully, his placement at a community service site will not only assist in but will motivate him to gain employment.

On November 14, 2008, the defendant was given the option of discussing this matter with an attorney. The offender opted not to speak with his attorney prior to signing the modification.

On December 9, 2008, Assistant U.S. Attorney, Robert K. Reed was contacted and he concurs with this officer's recommendation.

☒

To modify the conditions of supervision as follows: That the defendant shall complete forty (40) hours of community service, at the direction and discretion of the United States Probation Office. After completion of the initial 40 hours, the defendant shall complete ten (10) hours of community service every week he is not gainfully employed at an approved job, at the direction and discretion of the United States Probation Officer.
